Within the Temple of Apollo

A Greek Magical Intensive
exploring prophecy and healing
with
Dolores Ashcroft-Nowicki
& Andy Cooper

11th - 14th June 2009

Oxon Hoath

Hadlow, Near Tonbridge, Kent

WITHIN THE TEMPLE OF APOLLO

Apollo was the Greek god of music, poetry, healing, light and divination. He is a Sun God who presided over his temple and famous Oracle at Delphi. He also had dominion over plague, colonies, reason, dance, intellect, and herds of domesticated animals.

Over the entrance to his temple at Delphi were the famed words “Know Thyself” and this workshop is about exactly that. It is about connecting with what “makes you tick” and about discovering your inner motivations through meditation, divination, oracular work and healing.

There will be rituals in the Greek tradition, lectures, practical sessions, pathworkings, vigils and optional temple sleeps. You will learn to work with the Solar Fire in its five aspects: The fire of life, the fire of love, the fire of creation, the fire of knowledge and the fire of courage. You will also learn how to work with energy for healing, and there will be practical healing sessions as well as practical sessions for divination and prophecy.

LIVING “AS IF”

We have structured this workshop so that you will live and work as a member of the Priesthood of Apollo. We request that you take this very seriously, and behave as you would see fit for an initiated Priest or Priestess of the Mysteries. Breakfast and lunch will be eaten in silence, during which a chosen priest or priestess will read from one of the sacred books.

We strongly believe that acting “as if” creates a different reality and enables us to really connect into the energy patterns and archetypes of the Greek tradition. White robes will be required for the workshop.

WHAT YOU WILL GAIN FROM ATTENDING THIS TRAINING

Each student will receive a detailed training manual containing background information, lecture notes, rituals and a comprehensive bibliography.

We will cover:

- Why a Greek temple is set up the way it is
- How you discover your true purpose in this lifetime and what needs to be healed in order to enable you to achieve that purpose
- Prophecy and oracular divination in the ancient world
- Healing through working with energy and Light
