## **RITUAL WITH PURPOSE SIX**

**AT  
SAVIO HOUSE, BOLLINGTON, MACCLESFIED, CHESHIRE  
ON**

**Evening Friday 23 May, Saturday 24 May and Sunday 25 May 2008**

We have pleasure in presenting our sixth Workshop in the series. While maintaining the intention of 2003, 2004, 2005, 2006 and 2007 we will again be using mostly different rituals from those used in the previous workshops and hope to again expand on the intensity of the work.

We would stress that some experience of ritual work is required by those applying for this workshop. However **attendance at any of the previous Ritual with Purpose workshops is not necessary in order to attend this one.** If in doubt of your eligibility please contact Sirius. Places at Savio are limited to **32** so **please book early to avoid disappointment.**

The weekend will be comprised of intensive working of the rituals of the Servants of the Light School and of Sirius. We aim to focus the work towards those rituals that produce specific effects both in ourselves and in our environment. We aim to make your participation in these Rituals with Purpose a memorable and developmental experience.

Our theme this year will be **Time and Space**
